Notes about fees

Chapel - We never book two weddings on the same day, so the chapel, cottage and grounds are yours to use for as long as you wish. There are baby changing facilities in the cottage; we also have a few essentials in case of emergencies, sewing kit, First Aid etc. Should you wish to have refreshments in the cottage we are happy to accommodate external caterers.

Steward - The steward is responsible for opening the chapel and ensuring that it is ready for your special day. They will be on hand during the day to assist you and your guests and remain until the last guest has left. The Steward's fee covers a half day, up to 5 hours.

If you wish to decorate the chapel prior to your wedding day, please contact Mrs Pamela Spring who will arrange this for you. Extra openings for decorating will be charged at £50 per half day.

Please ensure that your guests use biodegradable confetti.

Music - in addition to the Organist the chapel has a sound system, and we are happy to play music of your choice. Please discuss your choice of music with the Minister.

We look forward to hosting your special day.
